

LRC Grading Policies
Silverton High School Room B121

Scheduled LRC classes will focus on student's IEP goals and address CRLS while assisting with the improvement of content skills in their individual areas of need; math, reading and written language, as well as organization. Because organization and completing school work tends to be a struggle, our goal is to assist students in understanding their content area coursework, maintaining skills and transitioning through high school as smoothly as possible. At the same time, LRC can serve as a quiet area for added support for classwork or extra time to work on student's general education tests and quizzes.

It is the expectation that students come to class prepared to work on a daily basis.

LRC grades are based on the following percentages:

- A = 90-100 %
- B = 80-89 %
- C = 70-79 %
- D = 60-69 %
- F = 50-59 %

Students are expected to maintain the same level of standard as that of their other classrooms. Inappropriate language, behavior and/ or destruction of the school's property will be referred to administration for disciplinary action.

Please review and initial the following rules with your child and know that if they are using their cell phone within the classroom it is subject to be taken and turned in to the office for you to collect at a later time.

_____ I have reviewed and understand that my student will not use an iPod or listening device in LRC without
Student initial Parent initial PRIOR permission from his/ her LRC instructor.

_____ I understand my student can turn their phone in to the LRC teacher without any penalty and take it with
Student initial Parent initial them at the end of the class period, but given they use the phone or listening device in class, they are subject to turn it in to the office where I, the parent, will retrieve it.

Periodically, throughout the year, please check with your student to see that they continue to be supplied with proper tools to be successful (i.e., paper, pencil, pens, and notebook). In the past, we've had difficulty with students forgetting to bring writing utensils to class, so your involvement is greatly appreciated. Thank you for your support of your child's success.
