  - b. What is one thing that surprised you or you weren't expecting?
5. Pass out the CRLE form to each student and continue with the questions on the form.
  - a. Ask each question and have students fill out the form. Ask a couple students to share their answer to each of the questions.
6. When complete, have each student turn in the CRLE form. Note that evidence for the PSAT is not necessary at this time. This form is an important part of their grade. Make sure to store the CRLE form in their portfolios or binders. If students are absent or the form is not complete, have students complete the form as homework. The form is due at the end of the period.
