Procedure:

1. Begin advisory according to personal preference.
2. Take attendance.
3. Read Announcements.
4. Last week we talked about people who are at your table. People who are your social resources including your friends, family, teachers, coaches, and other community members. Each student will choose one person from their table who has made a difference in their life either as a coach, cheerleader, iron-sharpener, or North-Star. After students have chosen one person, they will write a thank you letter to that person and deliver the letter. Students may just use a piece of notebook paper. You may provide some markers and nicer paper for students if you wish. Give students time to choose and write the letter in class. To earn a grade for this class period, students should complete the letter and have a plan to deliver the letter to the person.
5. End advisory according to personal preference.
