

**Distracted Driving Lesson**  
**Juniors**  
**10/4/2016**

**Objective:** Students will understand the consequences of distracted driving and discuss strategies to prevent and reduce this behavior.

**Materials:** Updated AG Videos file (Distracted Driving)

<b>Assignment</b>	<b>Standard(s)</b>	<b>Points</b>	<b>Assigned</b>	<b>Due</b>
Distracted Driving Lesson	Take responsibility for decisions and actions and anticipate consequences of decisions and actions.  Select and explain a proposed solution and course of action.	5	10/4/16	10/4/16

1. Watch the video titled Distracted Driving (update your AG VIDEOS file).
2. Have a class discussion using the following questions/talking points.
  - How did this video impact you?
  - Did you feel like you could relate to any of the students in the video? How?
  - What strategies can you use to NOT text and drive? (ex. Put phone in back seat, turn off the phone when driving, etc)
  - How can you help others to NOT text and drive?
  - How can you share this message with family friends?
  - Discuss what kind of possible consequences someone might face if they are in a distracted driving accident.
3. End advisory according to personal preference.
