Military Preparation EA Project Guide

What are the goals of a college preparation EA project?

- Explore the Military as a post-secondary option.
- Gather enough information to determine if the military is a viable career option.

Please note: Any enlistment or commitments to a branch are NOT required for completion of the Military Preparation EA Project. This is an exploratory program, not a recruitment tool. By signing below you are providing permission for your student to pursue this as a project.

Parent/guardian Signature: _____ Date: _____

Minimum Project Requirements - In addition to all CIS & EA project requirements:

- Complete "Compare the Services" guide- link is located on the EA website
- Meet with at least two different branches of the military (Army, Navy, Marines, Air Force, Coast Guard, Army National Guard, Air National Guard, Reserves): interview with recruiter, and/or visits in the counseling center.
 - a. Ask recruiter questions:
 - b. Basic training
 - c. Service terms
 - d. Eligibility requirements (academic, physical, background check)
- Compare Reserve, National Guard, & Active Duty enlistment
- Research pros and cons for an ROTC program (ex. OSU)
- Participate in at least two delayed entry program activities (if ok with the branch) or another approved training program.
- Complete an ASVAB preparation program
- Complete the ASVAB (seriously) and/or any other required test(s)
 - a. Research two career options that your chosen branch offers. One as a commissioned officer and one as an enlisted/non-commissioned.
 - b. Identify two possible civilian career opportunities with the military.
- Pass a physical exam (PT test)
- Determine Education Benefits (e.g., Post 911 GI bill) and other signing incentives for chosen branch and career (MOS, AFSC).

Packet Requirements and Tips

- Examples of evidence: workout logs, waivers, pictures, business cards/brochures, ASVAB scores, etc.
- All work submitted must be at a quality standard as per the rubric.
- The ROTC/Officer Training process needs to begin during the junior year
