Silverton High School
Modified EA Project Guide

What are the goals of a college preparation EA project?
- Help students with tools that will benefit their next steps
- Obtain experience for their post-secondary goals
- Obtain career related certification (Level 3 only)

__**Level 1: For *Functional Skills Program* and *Basic Skill Program Students***
- ☐ Complete an approved project
- ☐ Develop an informational poster or presentation based on your project
- ☐ Write a one page, single spaced reflection about your experience and next steps

__**Level 2: Minimum Project Requirements (requires an *IEP*)**
- ☐ Complete the vocational rehabilitation process

__**Level 3: Minimum Project Requirements (eligible for *IEP* and *non-IEP* modified)**
- ☐ Obtain Career Readiness Certification
- ☐ Complete 2 job shadows- at least 1 in person

Tips
- Take pictures, gather brochures, flyers, etc. as evidence
- All work submitted must be at a quality standard and approved by the case manager.
