Mock Interview Prep  
4/24/2017

Share the following information with your class:

- ✓ Mock Interviews are tomorrow! Please remember to dress appropriately, bring interview materials (Resume, Cover Letter, and Job Application) to the interview, and show up ON TIME! Interviews will be held in the main gym. You have been assigned an interview time for a 10 minute slot with a specific person. Your pink call slip (passed out in a minute) tells you what time your interview is. Don't lose the pink call slip. This is your pass to get out of class at the scheduled time.

Pass out the PINK call slips to each student. Call slips have the assigned time and assigned interviewer written on them. If you have students who are absent today (Monday, 4/24) please return those call slips to Stacey White so that they can be redistributed tomorrow morning first thing. Please make sure that each student has their materials prepared and ready to go. Spend the rest of the time allowing kids to get materials ready and practice interview questions!

If you have questions, please see Mrs. White or Kim Emmert.
