

Silverton Kiwanis Scholarship Application

The Kiwanis Club of Silverton is dedicated to helping the children thrive and succeed in Silverton and beyond. The Silverton Kiwanis Scholarship was created to help ensure our local students, especially those either partially or wholly dependent on their own resources, continue to seek new and exciting opportunities as they enter adulthood.

The Club will award up to three \$500 scholarships and one \$1,000 scholarship to both general and Key Club applicants this year. Scholarships will be judged by the applicants' school performance, previous awards received, involvement in school-related and/or career-related activities, and financial need. In order to qualify for the Key Club scholarship, you must be an active and dues-paying member of Key Club.

Please fill out the following application completely and return to the noted address by no later than March 31, 2018.

Thank you for your interest, and best of luck to all of this year's applicants!
