Procedure:

1. Begin advisory according to personal preference.
2. Take attendance.
3. Read Announcements.
4. **Objective:** Teambuilding & Re-centering back on school. Finish the Semester strong.
5. Ask students to share what they did during Spring Break. Sample Questions: Who traveled the farthest? Who did something exciting? Who watched the best movie? Who had a restful break? Who is happy to be back at school?
6. **Teambuilding activity:** Have students line up in two lines facing each other about 1 foot apart. There should be an equal amount of students in both lines and every student should be directly across from another student (partners). If you have an odd number of students, jump in and join the activity yourself. Once everyone is ready, ask one of the questions listed below. Give each side 1 minute to respond. Keep track of time. Once the time is up, have one of the lines rotate one position to the right. The person on the end should move to the other end of the line. Everyone should now have a new partner. Move through until all questions have been asked. Have everyone begin by shaking hands with their partner and introducing themselves.
