

Job Shadow Presentation Talking Points

Share the following with your AG. If a student did a virtual job shadow, have them discuss the career that they felt most connected with.

1. What was the career that you shadowed?
2. Where did you go and who did you shadow?
3. What did you like most about the career that you shadowed?
4. What was your biggest concern about the career you shadowed?
5. Share anything else that you learned that you found to be interesting.
