

'We Serve'

Silverton Lions Club

Scholarship Application Form

To scholarship candidates: Silverton Lions Club has awarded tens of thousands of dollars in scholarships to Silverton High School graduates over several decades. It is, by far, the largest single program of giving of the Silverton Lions Club. Our organization awards \$500 scholarships, the number of which is based on the funds available each year.

To be eligible to apply for this scholarship you need to be a graduating senior, to be a resident of the Silver Falls School District, to have maintained at least a 3.0 GPA, and to provide the required materials by the deadline. Decisions about the awards will be based on this information and an interview with the scholarship committee of the Lions Club. Questions asked during the interview will seek to clarify our understanding of the information provided in your application. Questions may also inquire into your perspective on the strengths and weakness of your educational experiences during your high school years. Responses to questions are confidential. If a question makes you feel uncomfortable, share this concern with the committee and don't answer. This will not be held against you.

Interviews typically last 15 - 20 minutes, but will vary slightly based on the number of follow-up questions asked and the length of your answers. Students selected to receive a scholarship must complete and return to the Lions Club the scholarship acceptance letter no later than January 1 of the following year. Once your letter is received, a check in the amount of your scholarship will be mailed to your designated school in a timely manner. Letters received after the January 1 deadline will be considered forfeit.

The purpose of awarding Lions scholarship grants is to recognize and financially assist one or more public, charter, home schooled, or private high school graduates living within the Silverfalls School District boundaries who make significant contributions in school, career, or community service and who maintain a high level of academic performance. We look forward to reviewing your application and wish for you a successful interview and a productive future. Please relax as best you can and help us get to know you and your plans for your future.
